

**8th Grade and Concluding Students Dinner with Pastor
Schedule Version 1.0
(V 2.0 will have family names for dinner and will be forth
coming soon)**

One of the opportunities that students who are in their concluding year of Confirmation and Middle School Ministry at Our Savior is to spend time with Pastor Tutwiler for dinner and discussion. During these dinners with Pastor, the students review and prepare for the solemn promises that they will make on Confirmation Sunday and get an opportunity to better know Pastor Tutwiler. Please make every effort to make these few dinners a priority on your schedule.

Each 8th grade family is given the opportunity to provide the dinner for the class with one or two other families during the year. We will have utensils, cups, and plates and ask that you provide the drinks and food for that evening for 18 people total. As you work together with the other family (information is in church directory or contact the church office 972-562-9944) you are partnered with we highly suggest that you keep the meal simple (ie pizza, pasta, subs, sloppy joes). If providing dinner places a financial burden on your family please let Pastor Nathan know.

If you have any questions about the dinner with Pastor please contact Pastor Tutwiler at dan.tutwiler@oslmckinney.org
